UEL Descent, Life-Long Resident Many Mourn Mrs. Harry Blakely

MARION VICTORIA BLAKELY

Following an illness of just over two weeks duration, Marion Victoria (Mabee) Blakely entered into rest at Prince Edward County Memorial Hospital, Picton, Wednesday, April 29, 1970. She was the widow of Harry G. Blakely, a former Mayor of Picton and for half a century a prominent businessman of the town. They had marked their 60th wedding anniversary.

Mrs. Blakely spent all her life in Prince Edward County. She was born on May 8, 1885, daughter of Marshall Isaac Mabee and his wife, Addie Marion Woodrow. She was of U.E.L. ancestry, being a descendant of Asa Werden.

Mrs. Blakely was a woman of many fine qualities, with a sympathetic and helpful nature which found expression in thoughtfulness for others. Before his death, she enjoyed many interesting trips to various parts of the world with her husband.

A valued member of the United Church of Canada, she gave freely of her time and talent through the various organizations. She was active in the Women's Missionary Society before church union, and in the Women's Christian Temperance Union. She was also a member of the Cavell Class and the United Church Women's Association. The church always held a central place in her life and its teachings were reflected in her daily living. A host of friends mourn the passing of a very fine lady, one who was a real friend in every sense of the word.

Left to mourn the loss of a loving mother are Clealan Blakely, Willis Blakely, Woodrow Blakely, Robert Blakely, all of Picton, and John Blakely of Guelph. Harold G. Mabee of Geneseo, New York, is a brother.

Predeceasing her were her husband, a son Frank Victor who died at the age of three years and a granddaughter, Frances Kathleen at seven months.

Many relatives and friends attended the service at the Hicks Funeral Home on Friday, May 1, when Rev. Robert Sherwin offered a message of hope and comfort. Interment was in Glenwood Cemetery, the pall bearers being grandsons, Roger Blakely, Jim Blakely, Bob Blakely, David Blakely, Gordon Blakely, Stephen Blakely and George Bulgajewski.

Among those attending the final tribute were Mr. and Mrs. Harold G. Mabee of Geneseo, N.Y., Mrs. F. M. Wootton, Colborne, Mr. and Mrs. Woodrow Roberts, Mrs. Helen Lush, Peterborough, C. H. Sifton, Cobourg, Stirling Hudgin, Kingston, Mr. and Mrs. Douglas Woodrow, Toronto.

Many beautiful floral tributes were from family and friends, Picton United church choir, Elks

Lodge, staff of Picton Public Utilities Commission, staff of Prince Edward Collegiate, Homewood Friendship Association, Picton Utilities Commission. There were also memorial donations to the Heart Fund, Cancer Society, United Church Missions and the Gideon Bible Society.

OBITUARY

Emily Johnson Graydon

In failing health for the past few months, a well known Picton resident for nearly 60 years, Emily Josephine Vanderlip, widow of the late John Lent Graydon, died in Prince Edward County Memorial Hospital on Thursday, 23 April, 1970.

She was born near Brantford, Ontario, on 19 December, 1877, the descendant of a Brant County pioneer family. Left to mourn are her three children, John Vanderlip and Mary Margaret of Picton and William Lawson of Burlington, in addition to five grandchildren,

Johanne MacLean, Toronto; William Gilbert, Robert Lawson, John Kenneth and Michael Clegg, Burlington, and a great granddaughter Julia Elizabeth. A brother George predeceased her in his youth.

She was for many years a member of the Sir Thomas Picton Chapter of the I.O.D.E. and attended the United Church both here and in Langford where she was organist.

The funeral service held at the Whattam Funeral Home on Monday, 27 April, with Rev. Robert H. Stewart officiating.

Out of town friends and relatives from Toronto, Kingston, Brantford, Whitby and Pickering attended.

The many and beautiful floral tributes and acknowledgements to the Heart, Cancer and Diabetic Foundation Funds were a recognition of the esteem in which she and her family were held in the community.

Pall bearers were Alva D. Collier, Carl P. Reid, Dufferin Folkard and three grandsons, William G., Robert L. and Michael C. Graydon.

Interment took place in the family plot at Glenwood Cemetery, Picton.

Mrs. John J. Soby Dies At Her Home

Wed Dec 21 1938

The death of Mrs. John T. Soby occurred early Sunday morning, December 18th, at her home Dundas Street, Napanee. Her funeral was conducted at her late residence on Tuesday afternoon by Archdeacon L. J. Dumbreile, rector of St. Mary Magdalene's Church and interment followed in Riverside cemetery. Her death was not unexpected for during the past several years she had been a semi-invalid and had in the last few months been subject to heart attacks. She had an exceedingly bright and happy disposition and despite her physical handicaps maintained until the last a cheerful outlook on life. She had a great many friends who found it a pleasure to be in her company and who regret her death very sincerely.

Mrs. Soby, who before her marriage, was Jane F. Blakely, was the daughter of the late Mr. and Mrs. James Blakely, and was born in Napanee nearly 79 years ago. The greater part of her life was spent in the town, with the exception of about 16 years when with her husband she resided at Hay Bay, returning to Napanee over 40 years ago.

Throughout her life she had been a member of St. Mary Magdalene's Anglican Church and took an active interest especially in the Church Women's Guild, to which she contributed generously her own hand-made needlework.

She was predeceased by her husband the late John T. Soby, in 1935, and by one daughter, Elizabeth, Mrs. Williams, who left one son Arthur now residing in St. Catharines. She is also survived by two daughters, Ethel, Mrs. Griswold of Hartford, Conn., and Noreen, Mrs. Harry E. Boyle of Napanee, and one son, John W. Soby of Bloomfield, Conn.

The pall bearers at the funeral were, Dr. J. B. Willoughby, W. T. Weller, B. F. Davy, W. G. Paul, W. V. Webster and George Reid.

conducted at both the Glenora and Adolphustown shores of the bay to accommodate the ferry.

The present ferry boat is still in operation due to the mildness of the weather, and is handling approximately one hundred cars daily.

SOBY—In Napanee on Sunday, December 18th, 1938, Mrs. John T. Soby at the age of 78 years. The funeral will take place from her late residence, Dundas Street, Napanee on Tuesday afternoon, December 20th at 2:30. Interment at Riverside Cemetery, Napanee.

It was unanimously decided that the relief allowance be increased 5% for food during Christmas week from December 19 to December 24. A By-Law appointing Deputy Returning Officers and Poll Clerks and naming polling places for the municipal elections, was given its several readings and passed.

The question of placing a lighted Christmas Tree in the Harvey Warner Park was discussed and was referred to the Streets Committee with power to act.

Accounts were considered and several were passed. The account of E. J. Pollard, Division Court Clerk, was laid over until the first meeting in 1939. The account of Dr. Duffet was referred to the Social Welfare Committee with power to act.

Mayor Hughson, who arrived at the meeting shortly before its adjournment expressed his appreciation of the co-operation of the members of the Council during the year and spoke of the splendid financial position of the town.

The members of the Council, in reply to the Mayor's address, expressed their appreciation of Mayor Hughson as a presiding officer and of his co-operation.

Bloomfield Boy Has Nail Removed From Lung

One of the few operations of its kind ever performed in Canada, took place at the hospital in Kingston, on Sunday, when a nail was removed from the lung of 13-year-old Gerald Hunt of Bloomfield. The operation was performed by Dr. F. A. Cays, a specialist.

Gerald was brought to hospital November 13th, by his father, Alton, after he had swallowed the nail accidentally.

Three unsuccessful attempts were made to remove the nail with a bronchoscope. X-rays were taken at intervals to ascertain if the nail had moved from its difficult position. The nail was found to have moved on Sunday and the operation was immediately performed.

MRS. JOHN T. SOBY 1938

NAPANEE, Dec. 19 — On Sunday morning about 7 o'clock, death claimed a well-known and life-long resident of Napanee in the person of Mrs. John T. Soby at the age of 78 years. Her death was very sudden, although she had not been in the best of health for some time.

On Saturday night she had dinner as usual and later suffered a heart attack. On Sunday morning there was another recurrence from which she did not rally. Arrangements have been completed for the funeral, which will be held from her late residence on Dundas Street, on Tuesday afternoon at 2.30 after which the interment will be made in Riverside Cemetery. Mrs. Soby, who was well known, was a native of Napanee, a daughter of the late Mr. and Mrs. James B. Blakely. She was, before her marriage, Miss Jane F. Blakely and was the last surviving member of the family, her two brothers, Robert and Fred Blakely, having predeceased her.

A few years ago she underwent a serious operation when it was found necessary to amputate one limb and since that time she used an invalid chair. She loved the outdoors and every day when the weather was fine enjoyed sitting in her chair on the verandah.

In religion she was a devout Anglican and was a member of St. Mary Magdalene Church. For many years she took a keen interest in the work of the Woman's Guild and held the office of vice-president for a time.

She was predeceased by her husband and a daughter, Elizabeth. She leaves to mourn her loss a son, Jack of Bloomfield, Conn., and two daughters, Mrs. H. E. Boyle of Napanee and Mrs. (Dr.) Griswold of Hartford, Conn.

NAPANEE, Dec. 21—Ven. Archdeacon Dumbrille, rector of St. Mary Magdalene Church conducted the funeral service of the late Mrs. John T. Soby, which was held from her late residence, Dundas Street on Tuesday afternoon. The floral tributes were numerous and beautiful and the funeral was attended by a number of relatives and friends.

Interment was made in Riverside Cemetery, and the pall-bearers were Mayor A. S. Hughson, Ben Davy, Dr. J. B. Willoughby, W. V. Webster, C. A. Walters and George Reid.

Musica, alias "George S. Dietrich," assistant treasurer of McKesson and Robbins, ordering 250,000 rifles and 250,000,000 rounds of ammunition.

Investigators said they had not yet established the true identity of the man who wrote the letter.

George Musica, 47, scheduled to be brought here from New Haven, Conn., during the day, will be questioned with the other surviving brothers, Arthur, 44, alias "George Vernard," Canadian agent for the drug firm in Montreal, and Robert, 34, alias Robert Dietrich, purchasing agent for the firm's Bridgeport, Conn., plant.

Each is held under \$100,000 bail on charges of violating the Federal Securities Act. Assets of the Canadian branch of the firm were taken over by the Dominion Government pending an investigation.

One of the brothers, investigators said, already had admitted "some people made us pay plenty" to keep the Musica criminal past hidden.

Charge Nazis Organizing in the Canadian West

TROCHU, Alta., Dec. 19—(CP) — Charges that Nazi agents are organizing German clubs in Alberta districts and that arrangements are being made to send Canadian-born children of German origin to Germany to be educated, were made at a protest meeting here Sunday.

The meeting, sponsored by several district branches of the Canadian Legion, B.E.S.L., was attended by Alex Walker of Calgary, Dominion vice-president and president of the Alberta Command of the organization. He stated the Legion would see that those who left Canada to learn Nazism would not be allowed to return to the Dominion.

A resolution protesting against activities of Nazi organizers in Alberta and declaring loyalty to King and country and a determination to uphold the principles of democracy, was unanimously passed. People from the Trochu, Delbourne, Elnora, Huxley and Three Hills districts attended.

"I'll be delighted. Now where are my lists?" she said.
"That seems to be the only idea I have," pop said.
"I got in back of the sporting page."

Dear Dr. Burleigh,

Over the years I've seen your name in O.G.S. publications as an authority on the early history of P.E. County.

My mother, Clara B. Blakely was born at Cherry Valley & married Edwin Nuttall from Gananoque. I have been searching for information about her ancestors & wondered if you might suggest where I could find out more about various branches of the family.

Clara Blakely's father was B.F. Blakely, a descendent of U.E.L. Ensign ^{James} Blakely who settled at East Lake (Cherry Valley).

Her mother was Thressa Story b. 16 Sept. 1865 daughter of Benjamin Story b. 15 Oct. 1827 m. 21 June 1859 to Clara Ann Ogden b. 19 May 1836.

Benjamin Story's father was Caleb Story b. 1788 Poughkeepsie, N.Y. m. Rachael Alyea (Aljee) daughter of Jan Aljee and Maricha Bontar

or Rita Banta from Worch, N.Y. daughter of John Banta, Bergen Co. N.J. and Maria ?, Pasciac, N.J.

Benjamin Story, father of Caleb Story was born in 1760 and married a Hallbridge.

Clara Ann Ogden was daughter of Dyer Ogden b. 1803, Ogdensburg, N.Y. and married Nancy Sheldon b. 1812 daughter of ? Sheldon and ? Ellis. They lived in Bloomsfield.

Dyer Ogden's father was John Ogden from Ogdensburg, N.Y. who married Taity Dyer of Athol. Her parents were Wm. Dyer and Catharine Young daughter of Col. Henry Young b. 1737, Jamaica, Long Island, N.Y.

I am particularly interested in the Young family but I don't know where to find information about them.

Hoping you can give me a lead to carry on in my search.

Sincerely,
Muriel Walton

As bulrushes are the roosts of blackbirds, any step to reduce the bulrushes might well affect the fantastic blackbird population which is an ever present agent of destruction to farm crops.

EDUCATION AND EXTENSION

We have not previously expended any time or effort in this field. Recently, an Advisory Board was formed with an interested and active chairman. It is important now to support this new Advisory Board so that communication with our people concerning conservation and what we are doing about it may be carried on.

TECHNICAL ADVISORY BOARD

We originated a Technical Advisory Board two years ago to have available professional advice on our problems. The members represented the Chamber of Commerce, Lands and Forests, Department of Agriculture, O.W.R.C., and many others. One meeting was held with all members present and ready to go. Unfortunately, we had no technical problems since we had no land with which to work with the result that no fur-

Former Mayor of Picton Harry Blakely Dies

5 March 1969

BUSINESS CAREER

In the fall of 1912 he took on the McCormick Farm Machinery Agency, and by hard work, built up the business until he soon acquired the Deering line as well. He operated his business at that time from what was known as the Collins house, where the Sunoco station is located on Main Street now. In 1927 he purchased the John Gilbert Confectionery store and moved there where he discontinued the farm equipment agency and built up a hardware business, which he carried on until 1966 when the business was sold to Wood Alexander Ltd. of Hamilton and became Crest Hardware. Mr. Blakely continues to own the block.

For a short time in 1927-28, he sold cars for Hudson Essex, but discontinued that when he felt it was not his line.

In 1928 he returned to the farm machinery agency, this time with J. I. Case, little known at that time except for steam threshers.

Through active sales, he developed the line to one of the major farm machinery competitors in the area. He built a large display and storage building at the rear of his residence on Elizabeth Street. This is now used by his son, Robert, as headquarters for his electrical contracting business. Business relations with J. I. Case were severed in 1954 and he continued with the hardware.

MUNICIPAL SERVICE

Mr. Blakely has been active in municipal affairs, entering town council in 1919 and serving as deputy-reeve in 1921 and 1922. He was elected reeve in 1923 and in 1924 he became mayor, defeating the late Fred Newman. He also served on the Picton Public Utilities Commission from 1947 to 1956.

Mr. Blakely was a valued member of the United Church and served as an elder.

Mr. Blakely was a charter member of the Picton Rotary Club and remained the senior member of the club. He was also a charter member of the Bay of Quinte Branch, United Empire Loyalist Association and served as a board member of the historic Hay Bay Church.

During his active life, Mr. Blakely with Mrs. Blakely, enjoyed several extensive trips abroad, including one to Britain in 1953 at the coronation of Queen Elizabeth. They also visited The Netherlands, Switzerland, Italy and France.

Mr. Blakely was noted for his support and interest in town affairs and community welfare, his high business ethics, and his willingness to fight for those principles in which he believed.

A prominent figure in the business community for more than fifty years, one who served the town in many capacities including that of Mayor in 1924, Harry G. Blakely, 57 King Street, Picton, died in Prince Edward County Memorial Hospital, Picton, Friday, February 28, 1969. He was in his 83rd year. He had been active before suffering a heart attack February 23.

Rev. R. F. Sherwin conducted service Monday afternoon at the Whattam Funeral Home with entombment in Glenwood Vault. Pall bearers were seven grandsons, Bobby and Stephen Blakely, Jim and Gordon Blakely, Donald, Roger and David Blakely.

Mr. Blakely is survived by his wife, the former Marion Mabee; four sons, Clealan, Willis, Woodward and Robert, all of Picton, and Jack of Guelph. Also surviving is a sister, Mrs. Norman Hudgin of Kingston. He was the last surviving member of his family.

Mr. Blakely was born at Point Traverse on November 8, 1886, one of five children of the late Mr. and Mrs. Andrew Blakely. At an early age, he had to leave school to help out on his father's farm.

In 1904 his parents sold the farm at Point Traverse and purchased another about two miles out of Picton on the Cherry Valley Road, where he continued doing farm work until 1911 when he went on the road as a windmill and pump expert for Goold, Shapely and Muis. He married E. Marion Mabee in 1908 and on February 1st, they quietly observed their 61st wedding anniversary.

Returning to the farm, he took on the agency for Baker Windmills, selling and erecting about 30 such windmills around the county.

In 1957 they visited the West Coast.

Another trip which they found particularly interesting was down the Ohio and Mississippi Rivers to New Orleans in 1961. The 20-day trip was made by stern paddle wheel boat.

Mr. Blakely notes that his life spans the reigns of six British monarchs and almost every Prime Minister of Canada since Confederation, except Alexander Mackenzie who held the office for six years before Sir John A. Macdonald was returned.

He believes the three prime ministers who contributed the most in building a great Canada were Sir John A. Macdonald, Sir Wilfred Laurier and Sir Robert Borden.

For Ontario, the three who stand it in his mind are J. P. Whitney, C. Drury and Leslie Frost. Any success he has attained in life, he attributes to the experience, example and discipline of his Christian parents and the hardships of his early youth. Over the years he believes he has established for himself a proper sense of values which are still effective in this modern age.

60th WEDDING ANNIVERSARY

Many Honor Mr. and Mrs. H. G. Blakely

Mr. and Mrs. Harry G. Blakely, 51 King Street, Picton, celebrated their 60th Wedding Anniversary on Thursday, February 1.

They were at home to many friends and relatives on Thursday afternoon and evening. Refreshments were served by their daughters, Mrs. Harold Mallett, Mrs. Mrs. Woodrow Blakely and Mrs. Robert Blakely. A large number of friends called to offer their congratulations and best wishes for further years of health and happiness.

Also received were a framed certificate from the Ontario Government courtesy of Norris Whitney, MLA, a personal card of congratulations from Prime Minister Lester Pearson, a telegram from Howard Stansfield, Leader of the Opposition, and a cable from Her Majesty Queen Elizabeth.

Mr. Blakely was born at Point Traverse on November 8, 1886, one of five children of the late Mr. and Mrs. Andrew Blakely. At an early age, he had to leave school to help out on his father's farm. In 1904 his parents sold the farm and Harry Blakely and purchased another about two miles out of Picton on the Cherry Valley Road, where he continued doing farm work until 1911 when he went on the road as a windmill and pump expert for Goddi, Shapely and Muise. He married E. Marion Maebe in 1908.

Returning to the farm, he took on the agency for Baker Windmills, selling and erecting about 30 such windmills around the country.

In the fall of 1912 he took on the McCormick Farm Machinery Agency, and by hard work, built up the business until he soon acquired the Deering line as well. He operated his business at that time from what was known as the Collins house, where the Sunoco station is located on Main Street. Now, in 1927 he purchased the John Gilliott's hardware store and moved there where he discontinued the farm equipment agency and built up a hardware business, which he carried on until 1968 when the business was sold to Wood Alexander Ltd. of Hamilton and became Crest Hardware. Mr. Blakely continues to own the block.

For a short time in 1927-28, he sold cars for Hudson Essex, but

discontinued that when he felt it was not his line.

In 1928 he returned to the farm machinery agency, this time with J. I. Case, little known at that time except for steam threshers. Through active sales, he developed the largest group of the major farm machinery competitors in the area. He built a large display and storage building at the rear of his residence on Elizabeth St. This is now used by his son, Robert, as headquarters for his electrical contracting business. Business relations with J. I. Case were severed in 1954 and he continued with the hardware.

Mr. Blakely has been active in municipal affairs, entering town council in 1919 and serving as deputy Reeve in 1921 and 1922. He was elected Reeve in 1923 and in 1924 he became mayor, defeating the late Fred Newman. He also served on the Picton Public Utilities Commission from 1917 to 1956.

Mr. and Mrs. Blakely have five sons: Harold Clealan is manager of the Picton PUC; John Gordon teaches in Guelph; Roland Willis is at home; James Woodrow teaches at Prince Edward Collegiate Institute; Robert Douglas is a Picton electrical contractor. One son died in 1918.

Mrs. Blakely has also lived in Prince Edward County all her life. Born at Woodroofs Corners in 1893, a daughter of Marshal L. Mabee, her mother, the former Marion Woodrow, died on giving birth. Mr. Mabee later married Agnes Welbanks.

The family lost their home by fire and Mr. Mabee purchased a farm on the Ridge Road.

Mr. and Mrs. Blakely are members of Picton United Church. Mr. Blakely being an elder.

Mr. Blakely is a charter member of the Picton Rotary Club and remains the senior member of the club. He is also a charter member of the Royal Canadian Legion Branch, United Empire Loyalists Association and is a board member of the historic Hay Bay Church.

During their active lives, the Blakelys have taken several extensive trips abroad, including one to Britain in 1953 at the coronation of Queen Elizabeth. They also visited The Netherlands, Switzerland, Italy and France.

STREETS COMMITTEE

Must Clean

Ice and snow on sidewalks Picton has been a frequent problem in Picton during the past winter and Streets and Property Committee Chairman Andrew Jackson is threatening at Town Council this evening that it could be a day night that it could be a day.

The problem is simply that the people are not shoveling the walks as they are required by bylaw.

Said Mr. Jarvis, "More people are having a hard time for the bylaws which people both old and young are not keeping because of the condition to exist. We can't afford to exist if our bylaws are not enforced."

RAISES, NEW

Finance

Requests for salary increases faced members of Town Council just about the time they turned at the regular meeting.

The requests came from the town's three full-time employees: Fire Chief Duane Forester, Clerk-Treasurer Doug Clark.

Apart from wage increases, the Finance Committee put in a bid for a new estimated cost of \$20,000 and the Picton Commission put in a bid to relocate an main threatened expansion at an estimated cost of \$10,000.

Finance Committee Deputy-reeve Doug Clark said the bid "was reasonable and something here tonic" such recommendation referred to the committee for study budget. We can't afford to wait indefinitely and minimum and maximum.

Mr. Thompson's items in a report for separation was just adopted.

Commissioner of Police Co. \$500 increase chief and \$600 per month fire chief wage of \$1,000.

Mr. Thompson's request but he did not say what it was.

Chamber Renews Attempt For Provincial Park Grants

The Prince Edward Chamber of Commerce has again taken up the cudgel in favor of grants in lieu of taxes for provincial park properties.

At the regular directors meeting for February Monday, the board passed a motion appointing President Donald King, Vice-President Howard Mallett, and secretary-treasurer Jack Evans to a special committee to draw up and submit a resolution on the subject for the forthcoming annual convention of the Ontario Chamber of Commerce.

Mr. Mallett, who was local delegate to the Ontario Chamber Convention last year pointed out that a similar effort at that time was not allowed to be put before the convention floor because it had not

been submitted far enough ahead of time.

The Chamber's thinking on the issue fits in with that of several local municipal councils and County Council in that much valuable assessment in the county used as provincial parks remains untaxed.

Chamber members were also told that the recent Smith Committee Report on Taxation in Ontario also recommends that the province should pay grants on park properties, and would forward its copy of the Chamber's new resolution.

Prince Edward Chamber of Commerce officials pointed out the Ontario Chamber can bring strong pressure to bear on the Ontario government should it pass such a resolution at the annual convention which will be held in May at Saratoga.

Recently, \$15.00 hard earned money was turned over to the Prince Edward Association for the Mentally Retarded. Making Christmas cards, baskets and other novelties, two Northport children devised the scheme to help the cause of the new school at Yerexville. Cindy Gossline, daughter of Mr. and Mrs. Bud Gossline and John Thompson sold the Christmas gifts door to door and also at Mallett's general store in Northport. In the photograph they show president Harry Hotston their handiwork and turn over the money to the association. Both of the children originated the idea of contributing and, also, the products they sold were of their own design.

Camp Pictor During Carr

The fly-away exercise to the Caribbean Island of Vieques involving the Picton-based 1st Canadian Guards this week has resulted in a hive of activity at Camp Pictor.

From the time orders were received, the battalions became operational on a 24-hour basis with specialized personnel splitting shifts around the clock.

Every piece of equipment from ammunition and food supplies to vehicles had to be checked to make sure it is in 100 per cent working order and properly labelled and if necessary, packed to make sure it will arrive and be ready to be distributed and put to use immediately.

Officer in charge, Major R. G. Reid, and his staff, Captain Brian Kinney and Captain Michael T. O'Brien, were joined by guardsmen from the 1st Canadian Guards, the Royal Canadian Dragoons and the Royal Canadian Dragoon Guards.

A detachment of the Royal Canadian Dragoons, under Captain Michael T. O'Brien, were joined by guardsmen from the 1st Canadian Guards, the Royal Canadian Dragoon Guards and the Royal Canadian Dragoon Guards.
